Dear Ms. Wilson:

Re: Retention of Laboratory Suitability, January 1, 2016 through December 31, 2016,
MIL-STD-883, FSC 5962, VQH-17-031338, CN#055081

We have reviewed your January 1, 2016 through December 31, 2016 commercial laboratory suitability annual retention report for MIL-STD-883. The report indicates conformance with the requirements of DLA Land and Maritime's Laboratory Suitability Information booklet. Therefore, the listing of your MIL-STD-883 capabilities as stated in your latest laboratory suitability letter, VQH-11-022245, will be continued on the List of Commercial Laboratories Suitable for Testing Military Devices.

Your next retention of commercial laboratory suitability report must be submitted by March 1, 2017 and should be formatted to contain the items of Section 5 of the DLA Land and Maritime booklet mentioned above. If we do not receive the report by this date, your capabilities may be removed from the List of Commercial Laboratories Suitable for Testing Military Devices.

If you have any questions, please contact Mr. Miller at (614) 692-2908.
